

**encuentro 5 needs you - friday 11/16 @ 7:00 pm**

**open**  
*space*  
**organizing**  
**movement**  
**building**  
*alter*  
globalization  
**freedom**  
democracy  
**equality**

Freedom, the Right reminds us, is not free. Well, *real* freedom and the struggle to attain it definitely is not free. So just as we mobilized for action against the war, for migrant workers, for human rights, for democracy, we have to spend time generating the resources to build our movement. MGA & e5 are calling on all folks who have found our work and projects helpful to join us this coming Friday as we celebrate e5 and look ahead.

33 Harrison Ave, 5th flr  
Boston, MA 02111
